PLANT Hosting & co-location B.V. Affiliate Program Terms and Conditions

Our affiliate program is designed to help you generate income in exchange for referring new hosting clients to our company. Listed below are the terms and conditions associated with our affiliate program.

ABN AMRO: 45.99.07.077
SWIFT: ABNANL 2A
KvK: 34189518
Alg. voorwaarden: FENIT
BTW: 8121.49.506.B01

Payment:

- Affiliates are paid a one-time commission for each hosting account referred to our services. A signup is counted when a customer first clicks on an affiliate referral link, completes the signup process and stays active for 90 days.
- Affiliate accounts must be active at the time of the referral. We cannot credit your affiliate account with past sales.
- All affiliate fees are locked **45 days after the end of the month in which the sale occurred**. Payments are then processed and sent out from the 16th through the last day of the month or until all payments have been sent. Once your payment has been processed its status will change from pending to sent. **EXAMPLE:** All referrals made in January will lock on the 15th of March and will be sent starting on the 16th of March. Affiliates with January commissions should receive their payment around the end of March.
- Affiliates must generate a balance of €100 or more before their account is eligible for payment.
- Affiliates can choose to receive commission payments via Check or PayPal. For larger affiliates with balances of over €10,000 per month we offer Wire Transfer. Your preferred payment method will be recorded during the affiliate signup process.
- Affiliates are responsible for ensuring that all payee information is up to date in the affiliate system. We are not responsible for lost/stolen payments. There is a €35 charge to re-issue payment and it will be deducted from the affiliate earnings.
- Affiliates are responsible for making sure they are able to accept payments. Please ensure that your bank or PayPal account can accept payments from European based companies.
- Affiliates are responsible for any and all fees, taxes, exchange rates, surcharges and other expenses incurred in order to receive their commissions. Please check with your local banking institution or PayPal to find out if any of these apply for your account.

Reversals:

- Referrals must have an active hosting account for 90 consecutive days or commissions will be reversed.
- Referrals that downgrade their hosting package below 1 year will be reversed.
- Referrals that are found to be fraudulent (false information, fake/stolen credit cards etc.) will be reversed regardless of the amount of time that has passed since the signup occurred.
- Referrals that issue a credit card charge back will be reversed.
- Referrals that cancel before you have met the €100 payout minimum will be reversed.

Advertising Compliance:

- Affiliates MAY NOT offer cash back, rewards or incentives.
- Affiliates MAY NOT bid on trademark, trademark +, or misspelled keywords for the purpose of PPC on the search engines (Google, Yahoo, MSN, Ask etc.).
- Affiliates MAY use the approved banners and ad text code found in the affiliate management centre.

- Affiliates are responsible for ensuring that their tracking code is working properly before sending traffic to our servers. Any modification to the links is the sole responsibility of the affiliate - commissions will not be paid for tracking errors caused by editing, masking or tampering with your links.
- Affiliates MAY NOT use cookie stuffing techniques that set the tracking cookie without the user actually clicking on the referral link (for example a 1x1 pixel iframe).
- The use of redirected pages and links to send a user to our site is prohibited. Example: you may not have your link on a search engine that redirects the user to our site.
- Domain forwarding is prohibited - you may not purchase a domain and set it to forward directly to our site using your affiliate link.
- Affiliates MAY NOT copy our website or portions of it and display them on their own site or subdomain.

Deactivation:

- Affiliate accounts may be deactivated at any time without warning or notice. Your account WILL BE DEACTIVATED and commissions set to €0 for failure to comply with the Affiliate Terms and Advertising Compliance contained herein.
- Any false or misleading advertising or suspected fraudulent activity associated with your affiliate account will result in immediate deactivation.
- Affiliate accounts generating a large number of fraudulent accounts will be deactivated.
- Affiliates may not resell hosting. All clients must provide their own payment method and contact information to be eligible for affiliate commissions.
- If you would like to discontinue your affiliate status, simply remove your affiliate links and no longer promote them. For accounting purposes your account and personal information will not be removed from our system.
